Questions

Q1. What is the main purpose of the Giftomania website?

Answer: The main purpose of the Giftomania website is to help customers explore different gift options and find suitable gifts for their loved ones.

Q2. Who is the target audience of the website?

Answer: The target audience includes people looking for gifts for birthdays, anniversaries, festivals and other special occasions.

Q3. What pages should be included in the website?

Answer: The website includes five main pages: Home, About Us, Products, Reviews and Contact.

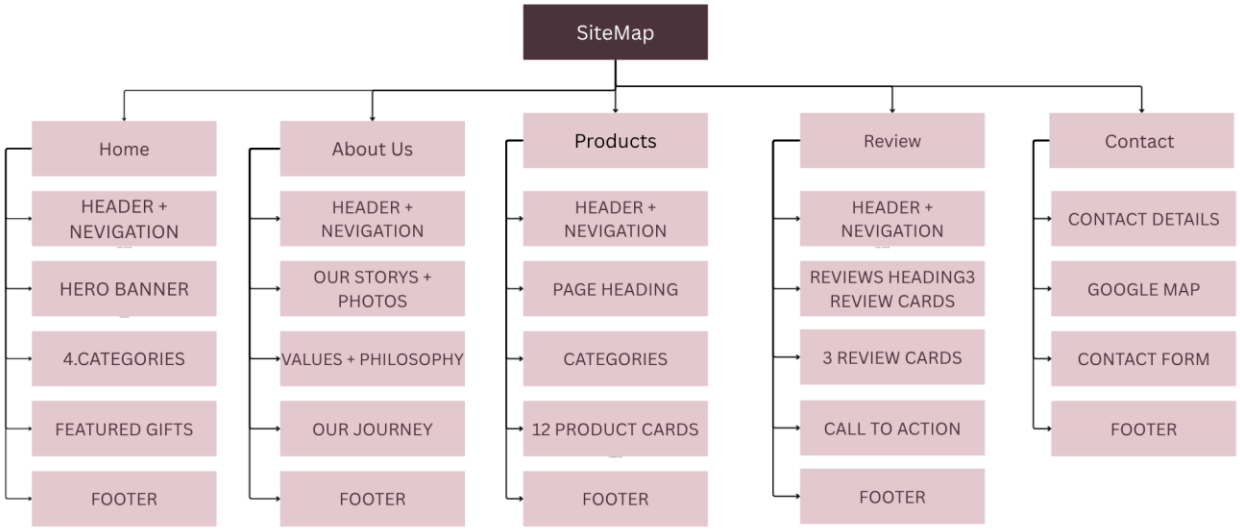

Q4. What colours and fonts should be used in the website design?

Answer: The website uses beige and cream backgrounds, dark mauve accents, and Georgia serif fonts to create a warm, elegant and premium appearance.

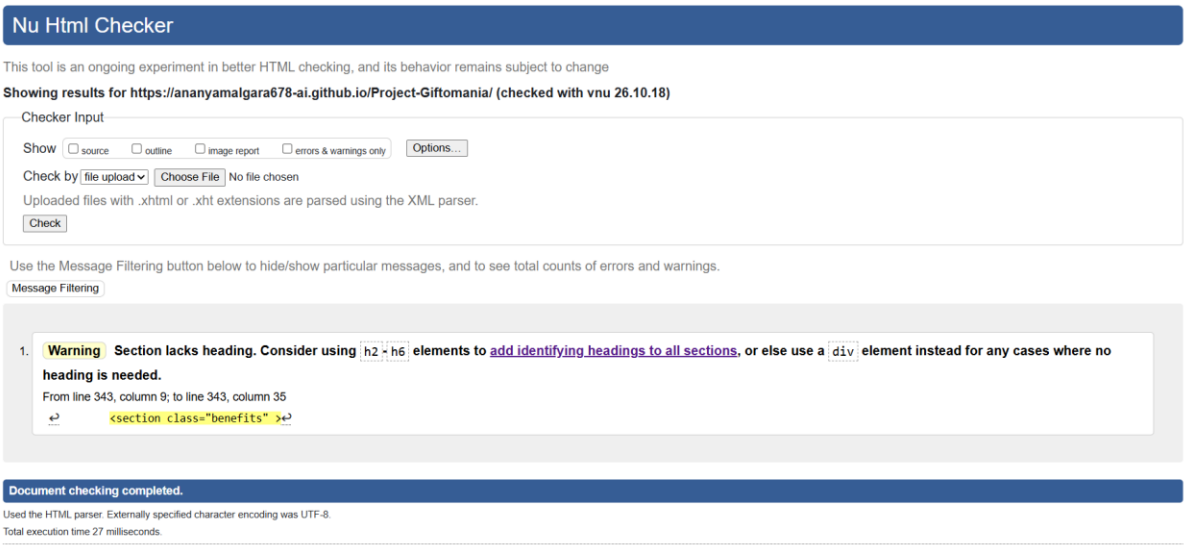

Q5. What features should the website provide to visitors?

Answer: The website should provide gift categories, product displays, sample prices, customer reviews and contact information so visitors can explore the available gifts easily.
