AI Declaration

AI Tool	What i asked to do	What i wrote, changed or checked myself
chatgpt	Asked for suggestions for website colors and layout ideas.	We selected the final colors scheme and designed the pages according to the brands aesthetic.
chatgpt	Convert some images into png.	Then i used them in my website.

Declaration: We confirm that this entry is our own work, that every AI tool used is listed above , and that we can explain every part of the submitted code .

Name- Ananya Malgara & Vandana Bhati
